

BRAINSHi Test Course is recommended for any high stakes test, professional licensure or certification test.

Teaches skill using the student's practice tests.

Corporate bundles. 20% off, bundle of 100.

Students will learn and use skills with their test content for:

- test anxiety
- how to study, take notes, organize study materials
- and answer multiple choice test questions

Time

You'll have access to this course for 14 days and the lessons are structured into 2 sets of 7 days: Week 1 and Week 2.

Week 1:

Complete the BRAINSHi Test Course Week 1 lessons on the first day you sign up for the course. This will take about 30 minutes.

Week 2:

Same as Week 1, You'll complete the Week 2 BRAINSHi Test Course lessons 7 days after you sign up for the course, which will take about 15 minutes.

There is some structure to the lessons and studying, but it's flexible enough for you to schedule on your own time between your daily priorities, like work and life.

You can start the course on any day of the week.
